Analytic Orange Overview

We strategically select research-based teaching and learning methodologies to provide the maximum benefit to students and teachers. Everything we do ensures the most inclusive, high-quality curriculum.

C3 Framework

- The C3 Framework is organized into Four Dimensions to support the inquiry and learning process.

Rigor & Relevance Levels

- Analytic Orange organizes the latest research on academic rigor and relevance. A combination of Daggett's Rigor & Relevance Framework, Webb's Depth of Knowledge, and Bloom's Revised Taxonomy is used to level questions, activities, and assessments.

Hattie's Effect Size

- John Hattie Ph.D. is an educational researcher and former professor.
- All strategies are research-based, high-yield/high-probability, evidence-based tools that have a measurable effect size of 0.40 or higher.

Beautifully Designed Products

- Assessments, worksheets, infographics, and more are all aesthetically pleasing, will delight our customers, and increase student engagement.

Frameworks: UbD, S&S

- Understanding by Design (Wiggins & McTighe)
- Scope & Sequence: We provide educators with a detailed look at lesson summaries, social studies, and ELA standards coverage.

Digging Deep & Asking the Experts

- We search for stories and experiences that provide our students with multiple perspectives on historical events.
- We provide positive examples of people from various backgrounds, ethnicities, and cultures in leadership roles.
- We hire expert reviewers from various backgrounds, ethnicities, and cultures to review our publication to ensure we get the stories right and they are told respectfully and empathetically.
